

ak's Paintbox Collection of wools offers creative knitters a rich palette of tonal colours to paint their own stunning and original hand knitted garments, home wares and toys.

Now meet Mia, ak's most passionate knitter

and her equally enthusiastic friends, Kate, Brenda, Julia, and Bella - five gorgeous knitted dolls who embody ak's approach to colour, detail and finish.

While completely handknitted, the look and construction of these dolls mean they sit comfortably alongside ak's popular handmade felt dolls. Available as Starter Kit B, your kit will arrive with the wool, trims and patterns to make and dress an ak hand knitted doll wearing her signature striped stockings, felt boots, traditionally inspired striped coat, sleeveless top, pants, beret, scarf, flower brooch and carrying a vintage style knitting bag with miniature wooden needles. Kit includes ak's basic knitted doll booklet with patterns to knit two more outfits and a set of 5 sewing patterns to team with hand knits.

Select from the 5 doll characters shown plus two others, Isabel (Colourway A) and Liv (Colourway B). After you've completed your doll go on and make a full wardrobe of clothes using ak's dolls clothes patterns and ak Miro 100% pure merino wool dk.
